

Manhattan Beach Studios LLC

COVID-19 Health & Safety Stage Guidelines

At Manhattan Beach Studios, we are focused on the health and safety of our employees, families, and communities. We will continue to provide services **safely** during the COVID-19 crisis and we are counting on your help to do so.

In order to comply with state local guidelines and guidelines on the MBS Media Campus lot, we are putting the following requirements in place:

- Masks are **mandatory** and must be worn at all times (covering nose AND mouth) while on the premises
- The stage shall be vacant except for approved projects and visits
- All guests must follow procedures on site, including filling out a health and safety form
- Our lobby and inside sitting area are CLOSED (subject to specific approval)
- NO consumption of food or drink is permitted inside the stage; lunches and meals are to be consumed outside to maintain safe social distancing

We will work as safely as possible under these conditions and we welcome your suggestions and support to do so. Please direct any questions or access requests to Mark Nicholas (310) 800-1999 or Lauren DeCastro (617) 875-1487. Thank you for your continued commitment to Manhattan Beach Studios.

Best,
The Manhattan Beach Studios Team
