COVID-19 Health & Safety Form

The safety of our facility, personnel, contractors, and guests are our highest priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, we are monitoring the situation closely and will periodically update company guidance based on current recommendations from the Centers for Disease Control and Prevention and the World Health Organization.

Only business critical visitors are permitted on the studio premises at this time. To prevent the spread of COVID-19 and reduce the potential risk of exposure, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
